

Congratulations Tara!

We are very proud of Tara who has recently achieved her ISFM Certificate in Feline Nursing!

Good Job Tara!!

Winter Risks

It's the most wonderful time of the year! However, it can also be a harmful time of year for our beloved pets.

Below are some of the potential hazards:

Fruit cake & mince pies

Chocolate

Poinsettias

Decorations

Stuffing & Gravy

Antifreeze

Please ask at reception if you would like more information on these potential harmful hazards.

If you think your pet may have ingested any of these, contact us immediately.

Well Done Lisa & Lorraine

A huge well done to Lisa and Lorraine who have both recently passed their qualification to become SQP's.

A suitably qualified person (SQP) is an animal medicines advisor, a legal category of professionally qualified persons who are entitled to prescribe and/or supply certain veterinary medicines under the veterinary medicines regulation.

We're having a baby!

A massive congratulations to Jo and her husband Rob who are expecting their first baby, due in April!
